

Dear Patients, Parents and Family,

In response to the National State of Emergency and the American Dental Association's recommendations, our office will be temporarily closing March 19, 2020.

While we have taken every step possible to protect our patients, parents and our staff, we feel it is in the best interest to close for a brief time.

Please continue to check your email and our social media pages for updates.

If you have an upcoming appointment, our staff will be contacting you to reschedule to a more appropriate time in the near future.

If you have an orthodontic emergency, please call our office for further instructions. We will have someone on call to take care of your needs.

Thank you for understanding during this uncertain time. We hope and pray that this will be over soon! Stay well, everyone!

The Sosebee & Britt Orthodontics Team
